

Welcome to the MLTAV

The Modern Language Teachers' Association of Victoria (MLTAV Inc.) is a professional association for Languages teachers, and is the umbrella organisation for approximately twenty Single Language Associations (SLAs) in Victoria.

In cooperation with the SLAs and other partner organisations, MLTAV supports teachers and learners of Languages Other Than English (LOTE) throughout Victoria by providing quality services, including Professional Learning opportunities, advocacy and consultancy. The MLTAV aims to encourage and promote the learning of LOTE as an essential part of the school curriculum.
